

the GROOM closet

The Lodge is assisting in the collection of personal care & hygiene items for children in Lebanon public schools. These items will be collected at the lodge and made available to students in need of grooming, clothing and hygiene products. These are the most basic of items that we all take for granted. The idea is that we start a reserve of items that can be drawn on as needed. All we have to do is throw couple of extra items in our cart at the store each week and drop them off at the lodge. Below is a list of items being requested.

- ✓ Laundry Detergent (*used by nurses, also single load for families*)
- ✓ Chapstick – Lip Balm
- ✓ Toothpaste
- ✓ Toothbrushes (*for younger and older children*)
- ✓ Cases for eye glasses
- ✓ Pads (*including overnight/heavy flow*)
- ✓ Tampons (*including super size*)
- ✓ Male and Female Deodorant (*we go through a LOT of deodorant*)
- ✓ Shampoo
- ✓ Conditioner
- ✓ Body Spray for Girls
